ACIT
Special Education Parent Advisory Group (SEPAG)

New Jersey Administrative Code 6A:14-1.2h states that, “Each board of education shall ensure that a special education parent advisory group is in place in the district to provide input to the district on issues concerning students with disabilities.

There is a significant relationship between the level of family involvement and student success.

The SEPAG is a group of parents and educators, who bring forth their knowledge and expertise to foster an understanding of the special education process for parents/guardians of students with special needs.

Mission & Goals...

The ACIT SEPAG works for the understanding of, respect for and support of all children with special needs in our community.

SEPAG will work to:

- Provide direct input on policies, programs and practices that impact services and supports for students with disabilities and their families.
- Promote a network of parents of students with special needs in the district and provide a forum to share information.
- Conduct informational meetings on topics of interest for families of students who receive educational support services.
- Promote and support an innovative educational environment with equal access to educational opportunities & a school environment where they can reach their potential.
